Certificate

The awarding of a Lightworker Healing Protocol (LHP) Certificate in any courses offered online or in live workshops does not imply licensure by any state regulatory authority, nor does it confer any power or authority under law. It is merely a recognition of successful course completion.

Required Disclosures

A LHP Practitioner or Provider (“YOU”) is NOT practicing as a licensed physician or psychologist or provider of medical or psychological services. The services offered by Provider are alternative or complementary to healing arts services licensed by legal jurisdictions and licensing authorities. The LHP services that Provider offers are not licensed by any known authority. Provider may possess licenses to perform other healing arts services, which are to be disclosed to engagers along with statements informing the engagers that the use of the LHP is an unlicensed alternative service distinct from the other healing arts services Provider may be licensed to provide.

Engagers of Services

An “engager” of a LHP Provider is simply a person who engages or enlists a LHP Provider to utilize the Protocol. An engager may be the target or recipient of the Protocol requests, or simply a person or persons requesting the Protocol be utilized for some other person(s) or objective.

Nature of Services

The nature of the LHP services Provider will offer are as follows: Focused utilization of the Lightworker Healing Protocol guided prayer. This involves reading or reciting, or careful guided audio listening of the Lightworker Healing Protocol guided prayer with understanding gained from studying the LHP training manual in conjunction with the Lightworker Healing Protocol online or live course as authored by Karl Mollison. Recitation of the Protocol takes multiple minutes, and engagers are engaging Providers to use this time on their behalf. It is the use of the Provider’s time, experience, and focused intention to utilize the Protocol that is being engaged.

Theory

The theory upon which the services are based is as follows: human beings are extensions of divine consciousness granted free will to explore physical existence. In this exploring of physical existence, humans inevitably experience and accumulate multiple traumas that are recorded in their subconscious. These traumas are theorized to remain fully charged and persistent, unaffected by the passage of time alone, until some form of effective healing or neutralization of the trauma takes place. It is theorized that Source Creator consciousness resident in the divine realm can intervene and resolve these traumas, but only in response to explicit and focused and detailed requests (aka succinct prayers). When these subconscious traumas are healed or neutralized by divine consciousness acting directly upon them as a result of detailed prayer requests, recipients are theorized to experience “benefits” to their overall well-being.

NO Guarantee

The LHP Provider cannot guarantee results or any specific outcome from utilizing the Lightworker Healing Protocol.

NO Medical or Psychological Services

Engagers are not engaging Provider for any medical or psychological services. Provider does not diagnose, treat, or claim to cure any medical or psychological condition, and that Provider's services are not designed to replace conventional treatment methods of medical or psychological conditions. Provider does not offer therapy for emotional or mental disorders. Engagers, clients, and recipients are responsible for their own health care decision-making by obtaining any necessary consultations with appropriately licensed health care professionals such as physicians and psychologists.

Assumption of Risk

Provider knowingly, voluntarily, and intelligently decides to offer the services described above, and knowingly, voluntarily, and intelligently assumes all risks involved in the same. As a result of the assumption of these risks, Provider agrees to release, hold harmless, indemnify, and defend GetWisdom.com LLC and her agents from and against any and all claims which Provider (or Provider's representatives) may have for any loss, damage, or injury arising out of or in connection with use of the services described above, or arising out of or in connection with referral to other practitioners or merchants for delivery of any services.
